2016-57. Consider request to adopt a resolution adopting the FY 2016-17 budget and setting a millage rate for FY 2016-17.

Commissioner Skaggs questioned how the city was handling state road repair funding in relation to the Street & Sidewalk millage approved by voters last year. City Manager Donovan stated city staff recommends waiting to see exactly how much funding is actually received from the state and then reducing the millage rate levied for the following fiscal year rather than attempting to budget for an amount that will fluctuate.
