For Immediate Release

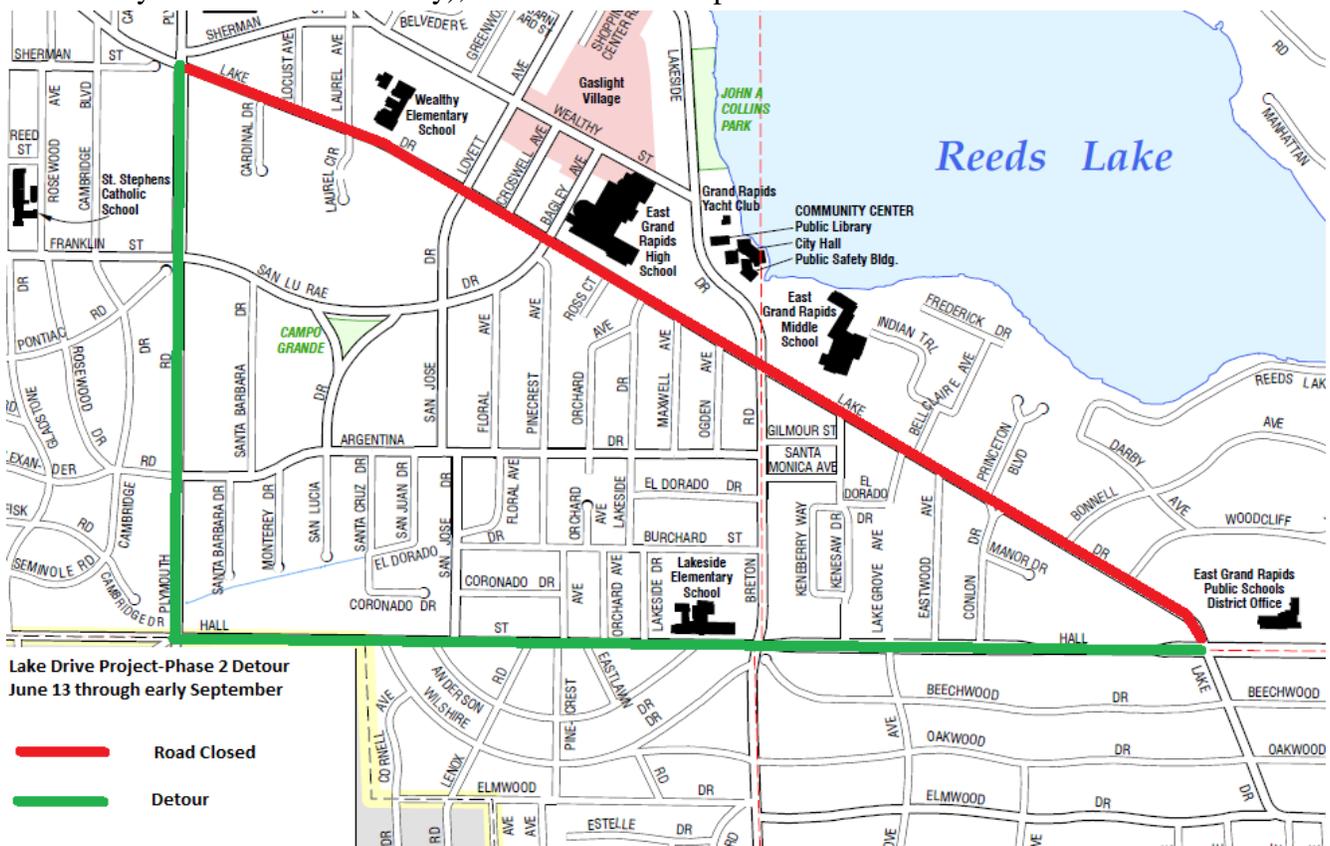

City of East Grand Rapids: 616-940-4817

## Lake Drive SE Closure for Road Construction and Utility Work

**East Grand Rapids, Michigan, June 8, 2016** – Lake Drive SE will be closed throughout the summer for road and utility construction. Phase 1 of the Lake Drive Project has been underway and Phase 2 will commence on Monday June 13, 2016 with estimated completion in early September 2016.

Lake Drive Construction Project Phase 2:

- The second phase will begin on June 13. The project limits will extend from Conlon to Bagley and will include water main replacement, storm sewer repairs, new road subbase, curb, sidewalk and a new traffic signal at the Lake/Breton/Lakeside intersection.
- A detour will be posted for this construction phase closing Lake Drive between Hall Street and Plymouth Road. The detour will direct Lake Drive traffic to utilize Hall Street and Plymouth Road.
- Breton Road will be closed between Hall Street and Lake Drive to through traffic-local traffic only permitted.
- Lakeside Drive will be closed between Wealthy Street and Lake Drive to through traffic-local traffic only permitted to access the City of East Grand Rapids Community Center (Library, City Hall and Public Safety), and East Grand Rapids Middle School.
