

CITY OF EAST GRAND RAPIDS

750 LAKESIDE DRIVE SE-EAST GRAND RAPIDS, MICHIGAN 49506

NOTICE

May 10, 2019

Dear East Grand Rapids Resident/Property Owner:

Indian Trail was recently completed as one of the grind and resurfacing street projects this spring. Unfortunately the asphalt paving did not meet the testing and inspection standards required by the City. The City is requiring the contractor to grind out and repave the street at the contractor's expense to ensure that the street surface quality meets the required quality standards.

General Information:

- Work will be completed over the next few weeks. Construction may take place between the hours of 7am-9pm Monday through Saturday as allowed by City Ordinance, however most construction is anticipated to take place between the hours of 7am-6pm Monday through Friday.
- After the street is milled, it will be repaved the next day possible depending on weather.
- Construction progress may be constrained by weather, availability of materials, scheduling conflicts and/or unforeseen emergencies. With these variables it is not possible to give exact time frames.
- Temporary on-street parking restrictions will be in place when work occurs. Please adhere to any signage postings for parking restrictions.
- The contractor will maintain the street to allow for emergency vehicle access at all times.
- Yard waste service will continue in the impacted area of construction in accordance with the regular yard waste schedule. Residents impacted by street construction must place yard waste bags and containers between the sidewalk and roadway and only the night before scheduled pick up so that these items do not interfere with construction.
- Private waste/recycling haulers licensed with the City have been contacted in advance of the project so they can make any adjustments if needed.
- Mail/delivery service. The local post office has been contacted to inform them of the projects so they can make any adjustments if needed. Other delivery services should be able to access homes with the exception of limited times during milling and paving.
- Any out lawn restorations in the impacted project area will be completed at the end of the project by the contractor. A care guide for restorations will be provided.

How can I receive updates about construction in my neighborhood or throughout the City?

If you would like to receive periodic updates on the construction projects, please visit the construction page and/or subscribe to the city's e-newsletter at: www.eastgr.org

The City appreciates your patience and understanding as important infrastructure is replaced and rehabilitated that will serve the community for the future. Questions may be directed to the City by calling the Department of Public Works at 616-940-4817. Thank you.
